Hi Myrka,

At this time we do not have a date or time frame for when we will get more illegal dumping signs.

Hi Sarah,

I received a status request for signs "on both sides of Lassen, in between Topanga and Farralone? ... where the Historic Olive Tress are."

I know 3 weeks ago you didn't have the signs yet but I wanted to know if you have received word on when they might come in.

Hope you are well.

Best,

Myrka Martinez

You can send them. I will follow up on the signs. A lot of our attention is on Covid-19 response so they may not have followed up on them recently.

Thanks Sarah.

Do you want me to keep sending you the requests or is there another process I should be following?

Hi Sarah,

I hope you are staying safe.

I received a request for No Dumping signs at the alley behind 18126 Schoenborn.

There are new property owners there and they have seen illegal dumping constantly since they moved there.

Could you please let me know if this can happen?

Hope you are well.

Best,

Myrka Martinez

Hi Sarah,

I hope you are doing well.

I was wondering if there is any word on the signs for illegal dumping.

I had heard from Colin that the cameras will be going up on Topanga

and Plummer. Along with the cameras, we hope there's signage so people are aware of the penalties and whatnot.

While on this subject I received a request for "no dumping signs on Haskell and Napa St."

Let me know if you have any questions or concerns.

Best,

Myrka Martinez
